

What Can I Do in the Maths Area?

I can look for, continue, copy and create patterns.

I can explore size, weight and capacity by making comparisons and using mathematical language.

I can subitise a small group of objects.

I can name 2D and 3D shapes and use these to make pictures, patterns and models.

I can count confidently, first to 5 and then beyond 10.

I can count the number of objects in a group and match them to a numeral.

I can compare numbers using language such as 'more than' and 'fewer than'.
