

What Can I Do in the Music Area?

I can remember and sing familiar songs.

I can move to music.

I can make up my own songs and music.

I can listen to music and talk about what I have heard.

I can explore different instruments and make music and sounds to express my feelings and ideas.

I can sing and make music on my own and in a group.

I can tap out a simple rhythm and make up my own rhythm.
