

Gaddesden Row JMI School

Newsletter 18th July - 2025

Good afternoon, friends, and families,

The final, full week of term has ended and what a week it has been! We now have just two and half days of this academic year remaining.

You have made us proud!

As always, our wonderful children represented our school superbly when visiting Woburn Safari Park yesterday. We were delighted with how you all behaved and engaged with the day. We are super proud of all of you!

Science Enrichment Day

To support the learning from our trip yesterday, on Monday, the children will be taking part in some science-based enrichment activities about the different habitats found in Africa. The children will work in teams to create presentations about the unique ecosystems of their assigned habitats, which they will share with the rest of the school.

'Pirates of the Curry Bean'

What an incredible job the children did on Monday and Wednesday this week! We are so very proud as to the way the children acted, remembered their lines, knew when to come on and off stage and speak over the planes when they were flying over the school. You smashed it! Well done!

School Council Fashion Show

This morning saw our first Gaddesden Row Fashion Show. Well done to all of the children for their amazing efforts and congratulations to our winners: Kobi from Class Rock 'N' Roll, Callum from Class Pop and Lily from Class Disco. Extra congratulations for our overall winner, Karolina!

End of Term

A reminder that the children break-up for the end of term next Wednesday at 1.30pm.

End of Year Reports

The children have come home with their end of year school report today. We hope you enjoy sharing your child's report with them. Please return the signed feedback form to say that you have received your child's report.

Year 6 Leavers' Assembly

A reminder that our Year 6 Leavers' Assembly will be held on Wednesday 23rd July at 9:30. Could I remind parents of Year 6 children to contact the school office to inform us of how many people will be attending so that the classroom can be organised with the correct number of chairs.

Class Rewards and Parties

On Tuesday, the children will enjoy their end of year class parties and rewards using attendance money earned this year.

Arbor Parent Portal

We will be sending out details of how to join the Arbor Parent Portal on Monday.

Our School Values

We have thoroughly enjoyed watching all the children displaying the behaviours of our school values. This week we have seen children discovering new information by asking interesting questions. We have seen children showing excellent listening skills. We have seen children enjoying taking part in different activities and enjoying each others' company. We have seen children remembering more and knowing more due to their engagement in everything they have done.
