

Gaddesden Row JMI School

Newsletter 4th July - 2025

Good afternoon, friends, and families,

Another week has ended and so has our summer term assessment week. The children have been working extremely hard completing assessments in maths, reading and SPAG. Teachers use these assessments to further support their own teacher judgements. Well done to all children – we are very proud of you.

Summer Fayre

Thank you to everyone who came to our annual Gaddesden Row Summer Fayre this afternoon. The event was very well attended and overall, a great success. GRAFT will update you with the total raised.

‘Rags 2 Riches’

A reminder that our ‘Rags 2 Riches’ collection is on Tuesday 8th July. Please help us fundraise by donating your good quality unwanted, re-useable (clean, dry and wearable) clothes and accessories.

‘Pirates of the Curry Bean’ Showings

The children in Pop and Disco have been working exceptionally hard during rehearsals in preparation to show our performance of ‘Pirates of the Curry Bean’. The hot weather has provided a challenge but the children have kept going throughout. There are a limited number of tickets remaining and a reminder that the show times are as followed: Wednesday 16th July at 13.30 and 18.00.

Clubs

A reminder that next week will be the final week of after-school clubs for this term. The children will be coming home with letters next week with details as to what after-school clubs will take place from September and on what days. All after-school clubs will begin from Monday 8th September.

Year 6 Leavers’ Assembly

On Wednesday 23rd of July at 09.30, we will hold our Year 6 Leavers’ Assembly. Parents and family members of Year 6 children are welcome to attend. Could I please request that you contact the school office to inform of how many people will be attending so that the classroom can be organised with the correct number of chairs.

‘Move-Up’ Day

A reminder that on Thursday 10th of July, our Year 6 children will spend the day at their chosen secondary schools, and the other year groups here at school will move into their new classes for the morning to familiarise themselves with their new teacher, classroom and classmates.

Our School Values – Remember More and Know More

In our assembly this week, I introduced the final new addition to our school values. The final value is 'Remember More and Know More'. We discussed how each of the values is something we do or something we are and that if we are true to our school values, then we will remember more and know more, not just academically but also socially and emotionally. We have thoroughly enjoyed watching all the children displaying the behaviours of our school values and I know this will continue. We are all a GAD ROW LEARNER.
