How to support your child with Lilac level books

Your child is beginning to discover the excitement of books. Although these books have no words, they are an important introduction to reading. Please encourage your child to:

- Look at the pages in order, and talk about what is happening on the left hand page before the right hand page.
- Talk about what is happening on each page, rather than just talking about what they see in each picture.
- Tell you who or what the book is about.
