

## **Gaddesden Row JMI School Newsletter 28<sup>th</sup> June - 2024**

**Good afternoon, friends, and families,**

Happy Friday and Happy Lego Day! What a fabulous two days we have had at Legoland and following this up with our D/T, Lego enrichment day today.

The children have all worked so hard and have shown a great team spirit when working together and encouraging others.

**You have made us proud!**

As always, our wonderful children represented our school superbly when visiting Legoland, Windsor yesterday. We had members of public commenting on how well behaved our children were – we are super proud of all of you!

**Lego D/T Day**

To support the learning from our trip yesterday, the children have been working in their team groups all day today. Their task has been to use 1,500 Lego pieces to build their own mythical land with a hybrid creature. **Look out for photographs on our school Facebook Page later today to see who the winning team group is!**

**Clubs and Tutoring**

The week beginning the 8<sup>th</sup> of July will be the final week of after-school clubs and tutoring for this term. **There will, however, be no after-school clubs on Friday 12<sup>th</sup> of July as this is our Summer Fayre.**

We will be sending out letters for clubs in September before we break up for families to sign-up.
