

Gaddesden Row JMI School Pupil Premium Strategy
2018/19 Funding Impact

Pupil Premium Funding: Sep 2018-19 Allocated funding: £13,200		
Target	Actions	Impact
		Data relating to Individual cohorts may not be reported as due to small numbers individual pupils could be identified.
Raise achievement and accelerate progress for children eligible for Pupil premium Funding.	<ul style="list-style-type: none">• Maintain small class sizes• Analyse individual needs of all eligible pupils• Provide targeted support/interventions• Track pupil progress and report to governors	<p>100% of our Pupil Premium pupils in KS1, including those with SEN, made expected or better progress over the course of the year and met all age related expectations as a result of targeted small group work.</p> <p>100% of pupils passed the Year 1 phonics check as a result of small group phonics work.</p> <p>100% of our non SEN pupil premium pupils in KS2 made expected progress across the year. Some of our SEN pupils made accelerated progress in some areas as a result of small class teaching and targeted group work and intervention.</p> <p>Teachers and support staff report that it is the small class sizes that enable them to target the individual needs of pupils, enabling them to make enhanced progress.</p>

Provide wider experiences of the world to develop skills and knowledge that can be applied to wider contexts of learning.	<ul style="list-style-type: none"> Plan and deliver experiences such as visit and visitors within the context of the curriculum with some subsidy towards costs. 	<p>Some of our enrichment activities this year such as a skateboard day and wellbeing week including: cooking and circus skills were well received by pupils with many children feeling encouraged to try something new and 'push themselves'.</p> <p>Mindfulness training for all of KS2 pupils has enabled pupils to manage their feelings better, leading to increased focus and concentration.</p> <p>Peer mediation training enabled pupils in UKS2 to better manage conflict and be able to 'move on' more quickly both in social settings and with their learning.</p>
Provide opportunities to experience clubs to widen experiences and mix with peers outside of core school hours	<ul style="list-style-type: none"> Fund one club for 1 Term for each PP child 	<p>Clubs this year have been varied and well attended by pupil premium eligible pupils. Over 50% of eligible pupils have attended clubs.</p>
<p>Summary:</p> <p>50% of our pupils eligible for the pupil premium are registered as having special educational needs or disabilities yet many make at least the same expected progress as non-SEND PP eligible pupils with many making accelerated progress and exceeding age related expectations in some cases. We are proud of the social and emotional progress our pupils eligible of the pupil premium make as well as their academic progress.</p>
