Parent/Carer

To help my child continue learning during a school closure or period of isolation I will do my best to:

- Older children: Encourage my child to uphold a daily routine and prioritise the timely completion of their assigned school work.
- Younger children: Support my child to complete their daily challenges and submit on their behalf via Goggle Classroom/Tapestry
- Understand that teachers who also have in class responsibility will need to balance the needs of those working within school and at home and prioritise accordingly.
- Be in close communication with the school, highlighting any development of COVID-19 symptoms in the family or feeding back test results.
